A Civil War Veteran

(From Roster of 111th Infantry N. Y. Volunteers of the Civil War)

East Sempronius, March 26 – The community was saddened to learn of the very sudden passing away of another former resident of East Sempronius, Adelbert Robbins. He was stricken down without warning. "In a moment, in the twinkling of an eye." Mr. Robbins was an active citizen and a veteran of the Civil war. Death claimed the wife whose maiden name was Nettie Brogden in August, 1911, who endured untold suffering. A few of the neighbors and friends of the family from this place attended the funeral at Homer, Thursday, March 18, to pay their last rites of respect to him. All unite in extending to the family heartfelt sympathy in this time of trouble.

Memories from brother, Ted :

I have fond memories of my step brother, Jim (from Leah's 1st marriage to Robert Tilyou). I remember he was handsome, popular with friends, and had lots of admirers. He was called 'Red' by his friends, since he had auburn hair slicked back like the 'The Fonz' from 'Happy Days'. He was always working on old cars in the barn and he would take us kids for rides through the fields on the farm in old Ford and Chevy beaters with no doors. It seemed like we were going 100 mph with weeds and corn stalks flying by, but it was probably only 10-20 mph. I remember the feeling of air borne and holding on for dear life when we'd hit ruts and bumps while whipping down the lanes on the side of the fields. When we'd play football, he would drudge all the way across the yard for a touch down while dragging all of us glued to his heels like leaches. Before I knew it, he left home, found a job and we only saw him on holidays. He was engaged to be married when I was woken by my father to hear the tragic news. He was returning home from his fiancé's house late at night in his Corvette, came to a rail road crossing that had no flashing lights, skidded into a train and died at the scene of the accident. He was only 20. Sometimes, I wonder what we might be doing these days if he was still with us . . .

Leah also married (2) **Carl Jay HUTHSTEINER**, son of Louis Sr. HUTHSTEINER and Charlotte Ursula KNAUTH, on 28 Mar 1948 in Cortland, NY. Carl was born 17 Nov 1921 in Schenectady, NY. He died 16 Apr 1999 in Northwood, Palm Beach, FL from Cancer and was buried in Mt. Albion Cemetery, Orleans, NY.

Schools : Grammar School, Hurley, NY; High School, Kingston, NY; Cornell University, Ithaca, NY - BS Agriculture, 1948

Occupations: Agricultural Engineer, Social Services, Sales, Owner/Manager - Meat Products Store

Carl and his brothers were raised in Hurley, NY. on a mountain called 'The Eagle's Nest'.

He joined the US Air Force during WW II on Aug 22, 1942. Basic Training - Long Island and Miami; Aerial Photography - Lowrey Field, Colorado; May 1943 - Bomber Squadron Field Photo Lab - McDill Field, Tampa, FA; Signal Corp/Communications School - Michigan State; Fort Dix, NJ; Discharged Apr 6, 1945.

Carl went to college at Cornell, Ithaca NY, 1941-1942 before Air Force, 1946-1948 after Air Force.

Carl married Leah and initially lived in Eden NY. After children were born, he moved with the family to Albion, NY, (~1953) where children were raised. He initially worked for Hunt's Ketchup Company as an Agricultural Engineer (1953-1962). He left the company when the industry transitioned to 7 day continuous operations because his religious convictions conflicted with working on Sundays. Then he worked in a variety of occupations such as Social Services (1962-1969), Duffy Mott's Inc. and sales. After children grew up, Carl and Leah moved to West Palm Beach, FA (early 1970's). Carl bought and operated a Meat Products Store for a number of years and lived there with his wife, Leah, until he died (1999). After his death, Leah moved back to Albion, NY. to be closer to children and friends.

Carl had an interest in family genealogy and conducted extensive research manually, without computers. After his death, Leah moved back to Albion, NY. to be closer to children and friends. Carl's extensive genealogy research was later passed on to his son, Ted, who eventually correlated all of his research documentation and created this web site to share with family in his memory.
